Utrecht University

School of Economics

Finance Strategies for Inclusive Economic Development

Alternative finance and new business models for development of sustainable and smart cities

U.S.E. Ronald Kleverlaan | Managing Director European Centre for Alternative Finance | www.uu.nl/ecaf

21-11-2019

Energy Transition

Challenges: NIMBY, high-risk pre-financing, profits external partners

Eat Local

You'll feel better when you know where your food comes from.

Local food production

Challenges: small scale projects, sales for farmers

Social housing

Challenges: bottom-up projects difficult to finance

Nature based solutions for urban sustainability goals

Challenges: alternative business models and non-financial returns
