

RETHINKING PLASTICS – RULES OF PARTICIPATION

Located in Equiplast, the Rethinking Plastics project is a space where you can show wider society your commitment to the environment as part of the plastics industry.

Participate in this area by showcasing your 100% recycled, biodegradable or renewably sourced finished products. Free registration.

Fira Barcelona will provide:

- A TOTEM SIGN to display the product and a stand to include its TECHNICAL DATA SHEET

The exhibitor must:

1. Send the FILLED-IN TECHNICAL DATA SHEET **before 17/04/2023**.
2. TRANSPORT THE PRODUCT, both in delivery and in pick-up (managing the shipping, packaging...)

Address:

RESA LOGISTIC

“EE 23” – “RETHINKING PLASTIC”

Botánica 62, Entrada Nr. 4 Recinto Ferial Gran Via

08908 – Barcelona, Spain
