IMPORTANT INFORMATION REGARDING HIRING ELECTRICITY, WATER AND WASTE WATER SERVICES

- If you need more electrical power than the quantity included in your pack or 24-hour supply, remember that you will need to request an increase in the power of the electrical panel or, if necessary, 24 h electricity, online via the Services Folder (e-Commerce).
- If you think you may need a mains water connection and drain, please ask for them in advance and hire a platform to hide the pipes and minimise any inconvenience they may cause by taking up space in your exhibition area.
